In brief

We all know's BSNL 4G is still under implementation, and the state-run telecom is still providing 2G and 3G service in the country. BSNL also provides 4G in selected areas as a part of the testing.

We all know's BSNL 4G is still under implementation, and the state-run telecom is still providing 2G and 3G service in the country. BSNL also provides 4G in selected areas as a part of the testing. However officially the telecom company is providing only 2G and 3G.

Here rather than data, we are looking into some of the best BSNL recharge plans that offer the best voice call benefits.

Plan 39 Voice Pack

This plan provides the user with a validity of 7 days, and benefits include 250 min per day on-net and off-net calls with both including local, STD, and roaming calls. It also provides 100 SMS, which can be used nationally.

Plan 99 Voice Pack

This plan provides 250 min per day on-net and off-net calls, which includes local, STD, and roaming. This offer is not providing any SMS benefits; however, those who activate this plan will get free PRBT with unlimited free song change.

Unlimited BSNL Plan 149

This plan is valid for 28 days. Users will get unlimited calls to BSNL network and 200 min per day call to other networks. Beyond the 200 minutes, other network calls will be charged at 20 paise per minute. Call benefits can be used for local, national, and roaming calls.

Popular Plan 319 voice pack

This is one of the most popular plans used for voice calls. The plan is valid for 75 days. Benefits include unlimited BSNL calls and 200 min calls to other networks. Beyond 200 minutes, calls can be made at a rate of 20ps per minute. Free call benefits will be available for local, national, and roaming calls.

These are some of the best plans that are available for voice calls. However, the plan price may be slightly different in each circle. So please check with the customer care before doing the same. The price chart mentioned above is based on the data from the Kerala Telecom Circle. So please see the correct figure from your circle before recharge.
