In brief

As said earlier Facebook now modified the like button with more emotions. Now we can use the like button to express different feelings such as Like, Love, Haha, Wow, Sad, Angry.

As said earlier Facebook now modified the like button with more emotions. Now we can use the like button to express different feelings such as Like, Love, Haha, Wow, Sad, Angry.

When we place the mouse cursor over the normal like button, new six options will be shown, from which we can express our reactions.
