Quick answer

You can cancel your Peacock subscription through the Peacock website by going to your account settings and switching to the free plan, or through your device's subscription manager if you signed up via Apple, Android, or Roku.

If you've decided to cancel your Peacock subscription, you might be wondering about the different ways to do it. Whether you subscribed through the Peacock website, your Apple or Android device, or your Roku, canceling your subscription is a simple process. In this article, we'll provide you with step-by-step instructions on how to cancel your Peacock subscription across various platforms..

You can cancel the Peacock subscription easily and with a few clicks. If you wish to cancel the Peacock premium and downgrade to the Peacock Free account, you can cancel the Peacock subscription in three ways: by visiting the [peacocktv.com](https://www.peacocktv.com) website, using an iOS device, and using an Android mobile. We will check each method here.

Cancel Peacock Subscription via the Peacock website

To cancel the Peacock premium subscription from the website, follow the steps below. Step 1: Visit the [peacocktv.com](https://www.peacocktv.com) website via any browser on your PC/laptop and log in to your peacock account. Step 2: Click on the profile image from the top right corner and tap Account. Step 3: Click the Plans & Payments option from the account section. Step 4: Click on the Change Plan option. Step 5: Now, you can see Peacock Premium as the current plan and Peacock Free as the other option. Step 6: Select the Peacock Free option and click the Change Plan button at the bottom. Step 7: Finally, you can see the Switch to Free button. Click on that, and you are done. Your Peacock premium account got canceled, and you are switched to the Peacock Free plan.

How to Cancel Peacock Premium From iOS Device

If you made the subscription via the Apple App Store, you could cancel the peacock subscription from an iPhone or an iPad. To do so, follow the below steps. Step 1: Open the App Store on your iPhone or the iPad Step 2: Click on the Profile icon from the App Store to see the account area. Step 3: From the account section, tap on the Subscription option. Step 4: You will see all the active subscriptions. From that, click on Peacock TV. Step 5: Now, on the Peacock Subscription section, Now, click on the Cancel Subscription. Your Peacock Subscription will be canceled at the end of the current billing period, and you will no longer be charged for the premium.

Cancel Peacock Subscription From Android

If you are an Android user and made the subscription via the Play Store, you can cancel the peacock subscription via an Android mobile. Follow the steps below to cancel the Peacock subscription from an Android mobile. Step 1: Open the Play Store app on your Android mobile. Step 2: Click on the profile icon at the top right portion. Step 3: Click on Payment and Subscriptions from the listed option. Step 4: From the Payment and Subscriptions section, tap on Subscriptions. Step 5: You will now see all the active Subscriptions in the Play Store. Click on the Peacock. Step 6: Now, under the manage Subscription section for Peacock, you will find a Cancel subscription button at the bottom. Tap on that. Your subscription to the Peacock Premium will be automatically canceled once its current validity ends. You no longer need to pay for the premium.

Canceling Peacock Subscription on Other Devices

Apart from canceling your Peacock subscription online, you can also cancel it through various devices like Apple, Android, or Roku. Here's how:

Apple Devices

1. Open the Settings app on your Apple device
2. Select your name
3. Go to Subscriptions
4. Find the Peacock app and select it
5. Tap "Cancel Subscription"

Android Devices

1. Open the Google Play Store app
2. Tap on your account icon
3. Select "Payments & Subscriptions"
4. Go to "Subscriptions"
5. Select the Peacock subscription
6. Tap "Cancel Subscription"

Roku Devices

1. Sign in to your Roku account
2. Navigate to "Subscriptions"
3. Find the Peacock subscription under active subscriptions
4. Turn off "Auto-renew"

After successfully canceling your Peacock premium subscription, you will receive a confirmation email within a few hours. However, you can still enjoy limited content for free on Peacock even after the cancellation. Once the current subscription ends, you will automatically switch to Peacock Free plan, and you can continue to enjoy peacock free content without any issue.
