### Quick answer

If you forgot the birthday of your loved one, you could think of asking them directly about their birthday. It won't be a great situation in such cases.

If you forgot the birthday of your loved one, you could think of asking them directly about their birthday. It won't be a great situation in such cases. It might be worse if the person is someone special to you, like a girlfriend or wife, or even someone so close to you. In this article, we will see how to find out someone's birthday without asking them. The point is just a simple hack and trick to find someone's date of birth without letting them know. Once you get to know any person's birthday, try to save it within any birthday reminder app for future use so that you can avoid searching next time you need it. It is also to be noted that we can use the trick to find someone's birthday, but in some cases, there are chances of getting it wrong too, so always try multiple ways to find the birthday of someone.

### How to Find Someone's Birthday

So, if you forgot the birthday of someone and thinking of searching how to find someone's birthday online, we will let you know some simple tricks to apply so that you can find the birthday of someone using social media websites.

#### How to Find Someone's Birthday Using Facebook

One simple way to find someone's birthday is by looking into the Facebook profile. Since Facebook is being used by many users when considering social media platforms, it is quite easy to find the date of birth by checking the profile page. To see the date of birth of a person from their Facebook profile, follow the below steps. Step 1: Log in to your Facebook account and visit the profile page of the person whose birthday you want to know. Step 2: Click on the about the profile info. The above info link will be displayed as See About Info. Step 3: Now, you can see the birthday info under the Basic Info section. Note: The birthday details are optional and not public data, so users prefer to hide or not show the date of birth. In that case, you won't see the birthday details of that person. Also, in some cases, Facebook users keep incorrect birthday details within their profiles. So, we recommend you check with more than one social media account to confirm the user's birthdate.

#### How to Find Someone Birthday on Instagram

On Instagram, there is no section to find a user's birthday. But in most cases, Instagram users add the birth date on the Instagram Bio section. So, let's see how to view the Birthday of an Instagram user from their Instagram profile page. Step 1: Open the Instagram app on your iPhone or Android and tap on the search field at the top. Step 2: Type the name of the user you wish to search; if you know the username of the Instagram user, then you can type the username directly, or you can type the name to search. Step 3: You will see several profiles matching the search name. Tap on the desired profile name to view the Instagram profile of that particular user. Step 4: You can see the Bio section under the profile picture on the profile page. You can see the details if the user has provided the date of birth in the bio section. But it should be noted that a few Instagram users used to provide their birthday details within the bio section.

## **How to Find Someones Birthday on Snapchat**

Like Facebook and Instagram, Snapchat is also a major social media platform users use nowadays. If the person you are looking for is using the Snapchat app, you can use the Snapchat app to see that person's birthday. To find someones birthday on Snapchat, follow the below steps. Step 1: Open the Snapchat app on your mobile and go to the friend list. It is to be noted that the person needs to be added as your friend before searching for their birthday. Step 2: Now, you can swipe left to see the chat list. From the list, find the person you wish to find the birthday and tap on it. Step 3: Now, open the profile page of the Snapchat user and swipe to reach the Charms section. Step 4: Now you can see the Birthstone details for the particular user under the Charms. It is to be noted that, on Snapchat, you can see the birth month of that particular user under the Snapchat profile section.

## **Conclusion**

The tricks mentioned above are simple ways to find a person's birthday if they are active on social media platforms like Instagram, Facebook, Snapchat, etc. Also, as mentioned before, use any reminder app to save it once you know a user's birthday. There are multiple other ways to find the date of birth of a person if you forgot the date. The list will be updated with all the best ways to find someone's birthday when you need it.
