How to Redeem Promo code on Apple App Store?

If you received a promo code for an app, you could redeem the same by doing the following steps. The steps mentioned here are for iPhone and Mac.

Redeem Promo Code on iPhone

If you are looking to redeem the coupon code on your iPhone, follow the below steps.

Step 1: Open the App Store on your iPhone

Step 2: Now, tap on the profile picture at the top right corner.

Step 3: You can find an option Redeem Gift Card or Code on the account page. Tap on the same.

Step 4: Now, you can see the redeem page, where you can see two options.

Use Camera - You can use the phone camera to scan the code if you have any Gift Card with you.

Below that, you can find an option called You can also enter your code manually. Tap on that.

Step 5: Next, you need to enter the promo code in the fields manually, and once done. Tap on the Redeem option at the top right corner.

Step 6: Next, the system will validate the code, which may take a few seconds. If the code is valid, you will see the success message, and the app's download will start automatically in the background.

Redeem Apple Promo code on Mac

If you are going to redeem the promo code on a mac machine, follow the below steps.

Step 1: Open the App Store on the Mac

Step 2: Now, Click on the Profile image in the bottom left corner.

Step 3: Next, you will see the account section. Click on the Redeem Gift Card option at the top right end.

Step 4: Now, a popup window will appear, where you need to sign in to the Apple account using your apple id.

Step 5: Next, you will see the promo code redeem page, and then you need to enter the promo code.

Step 6: Once entered, click on the Redeem button and done.

It will take a few seconds to validate the entered promo code, and once validated, your download will start automatically.

Later, you can find the application in your Application folder or the Launchpad.

The redeem process can sometimes take longer depending on the internet speed and the server load. It usually won't take too much time, but a slight delay can happen in rare cases.
