If you added some sticker pack in your WhatsApp account using some third party application or even from the WhatsApp itself, then now we can remove it from the sticker section in the Whatsapp. To do so, you can perform the following steps.

Step 1: From the WhatsApp chat section, click on the emoji icon and select the sticker section.

Step 2: In the sticker category section, you can see the '+' icon in the window. Click on that.

Step 3: In the next window, you can see the sticker pack page, which contains two sections, ALL STICKERS and MY STICKERS.

Step 4: Click on MY STICKERS section. There you can see a list of all the added sticker packs.

Step 5: Find the sticker pack that you would like to remove and then click on the delete icon to the side of that pack.
