In brief

Reliance Jio offered a Cricket Data Pack for Rs. 251 that provided 102 GB of high-speed data (2 GB per day) valid for 51 days, designed for streaming the ICC Cricket World Cup 2019 live on mobile.

Reliance Jio again introduced their popular cricket pack for its users during the ICC World Cup 2019 edition. The company comes up with the same pack that was available previously. The new pack will provide users with additional data so that they will not miss the live cricket during 2019 ICC World Cup From England and Wales.

The offer is available to all the Jio users and can be activated from my Jio Application or by doing the recharge for Rs. 251/- The pack is valid for 51 days and users will get 102 GB of high-speed data and thereafter speed at 64kbps. Let us see the pack details.

Jio Cricket Data Pack 2019

As the name says, it is a data only pack, so users will get only data benefits with this pack. The pack can be activated along with your existing plan or the cricket pack alone.

If you are activating the cricket pack with any of the existing plans, then you will get data to benefit from the current plan along with the cricket pack. Otherwise, you can enjoy data only with the cricket pack. Calls and SMS are not available with cricket pack.

Jio's cricket pack will provide its users with a total 102 GB of high-speed data, The data will be available in the normal per day basis in which 2GB can be used at high speed and thereafter speed will be reduced to 64kbps.

Here, For example, if you are already using an unlimited pack say Rs. 149 or Rs. 399 that provides 1.5GB data every day. In this case, if you are activating cricket pack along with that, you will get a total of 3.5GB data every day at high speed and then only speed will reduce to 64kbps.

With this pack, users can watch ICC World Cup Live on their mobile uninterrupted. Since Jio users can watch the live cricket match on their mobile with the Hotstar mobile app, it is now so easy to watch all the cricketing action on the go. As per Jio and Hotstar, all the Jio users with an active Jio data plan can enjoy live cricket match from hotstar without the 5-minute delay even without a premium subscription.

However, access other premium contents such as English movies, series and other programs, a premium account or subscription is still needed.
