In brief

BSNL Broadband Plans offered for the purpose of work from home are now got attraction. The work from the home method is going on all over the country, and especially for IT professionals, the broadband connection is now necessary.

BSNL Broadband Plans offered for the purpose of work from home are now got attraction. The work from the home method is going on all over the country, and especially for IT professionals, the broadband connection is now necessary. All the telecom companies like Jio, Airtel, BSNL now introduced work from home plans.

But for a reliable connection for work and other professional activities, a broadband connection is needed. Here we are listing the BSNL Broadband Plans (BSNL BB Plans) Kerala circle is offering to its customers.

BSNL is now offering a bunch of excellent broadband packs using its latest Fiber Optic Network called BSNL FTTH Plans. The most highlighted feature of BSNL Broadband Connection is that it provides 24 hours free calling to any network with all the plans.
