What happened

Motorola gave another surprise by reducing the price of the Moto G - 2nd Generation again. The smartphone now available at a Rs.

Motorola gave another surprise by reducing the price of the Moto G - 2nd Generation again. The smartphone now available at a Rs. 9,999 ie a discount of Rs.3,000 from the original price Rs. 12,999. The smartphone now available at flipkart at the new price.

Moto G was one of the popular handset in India which is available exclusively through flipkart. Last month flipkart listed in the website that the Moto G 3rd Edition will arrive soon with some specification details such as it is having an 5.2-inch full HD display and it will be powered by a Qualcomm Snapdragon 610 SoC with 1.7GHz quad core processor with 2GB of RAM. But Motorola doesn't mentioned about the specification details yet.
