In brief

Reliance Jio will be available on commercial basis from September 5 onwards. The chairman, Mukesh Ambani announced officially and revealed the various plan and tariff Jio is going to provide.

The most awaited 4G Network, Reliance Jio is going to launch Officially. The chairman of Reliance, Mukesh Ambani announced today that, The Reliance Jio will be commercially launch on September 5. And also reveals the complete details of packs and services.

Reliance Jio already started the operation from the past few weeks and they tested the network by giving the Jio SIM on an invitation basis for selected customers. Last week the company started expanding the offer to selected Handsets. Now the SIM will be available to all the Smartphone Users. In the introduction speech, Mukesh Ambani announced the launch and also revealed the tariff and plan of Jio.
