In brief

Sun Direct has introduced Jodi Packs, which are add-on packs available in 8 options across English, Hindi, Kannada, Malayalam, Odia, Tamil, and Telugu. These packs range from Rs.

DTH Providers in the country are introducing new plan and even changing the existing plan day by day. With the TRAI's new rule for cable and dth, subscribers now have to choose only those channels they need and only pay for the selected channels only. The new rule caused users to pay more for their subscription in most cases, where as for some users it went down, but in their case, they are not able to view all the channels that were part of their pack previously. To prevent users from switching providers, every DTH provider is introducing new and attractive plans. Last week, Tata Sky and Airtel Digital TV offered its users free preview of Star Sports channel to enjoy IPL 2019. Similarly D2H also introduced an IPL pack that cost Rs. 19 per month, so that users can enjoy IPL 2019 at a minimum rate. Now, Sun Direct, one of the popular DTH providers in the south India introduced a Jodi Plan that comes in 7 languages including English, Hindi and southern regional languages.
