In brief

Both Tata Sky and Airtel Digital TV offered free Star Sports channels to subscribers for watching IPL 2020. Airtel Digital TV provided a broader selection including HD channels and English commentary at no extra cost, while Tata Sky's free package excluded the main English broadcast channel.

Since the competition in the DTH industry has started, all the Cable and DTH providers in the country are one way to implement new and attractive plans for their customers. After the announcement of the new rule in the Cable and DTH industry, each and every provider is implementing budget-friendly plans each day.

Earlier, we reported about the Tata Sky's new annual Flexi Plan which provides user one month free for their exiting plan and also later the company introduced smart regional plan starting from Rs. 206 which is available in almost all the regions.
