Of late, it is really vital to get some exciting offers and deals on premium subscription programs. For this, you need to look for a reliable digital membership service app by considering several factors. Are you looking for a reliable and trustworthy digital membership service app for your needs? If yes is your answer, then you should install Time Prime right now itself. Times Prime is a famous and genuine digital membership service app that offers easy to exclusive offers, premium subscriptions and several delightful experiences across famous online and offline merchants. It is a perfect shop for all your lifestyle and entertainment needs.

For getting the Times Prime membership, you need to pay an annual fee of Rs. 999. Make sure you are going through a free trial for 30 days before proceeding further for the membership. You can try 12 offers for free by using a free trial. If you are satisfied with the services, then you can go for a paid version easily without any second thought. You will get 30% off using exciting payment provided by Paytm, Times points and HDFC Times card.

There are millions of subscribers of this app who are continuously using the benefits of the Swiggy Super, Gaana plus and several other premium memberships. You should understand that Gaana Plus offers unlimited downloads, Ad-free experience and High Definition streaming to music. You would get the 1-year subscription of Gaana Plus with the Times Prime Membership which is really great and you will love it for sure. Also, you will get unlimited super fast delivery and freedom from surge fees by using the Swiggy app. You should note that currently, Times Prime Membership is giving 12 months membership to Swiggy super which is appreciable and useful for the users and it will be activated on Swiggy App by just paying Rs. 1/-.

If there is an event going to be organized in your area or location, then you would get exciting offers. You are going to save your money easily without any issues at all. To start using this app, you should first register your phone number or email address. After doing this, you can activate offers you like by selecting memberships and click to activate them. It has a very simple and easy to understand user interface for the users. The app is available on the Google Play Store to download for free.

Conclusion

I have used this app and surely would like to recommend everyone who is looking for some genuine ways to save money. By using this app, you are going to save money on movies tickets, restaurants, travels, hotels and many more. It is the only premium membership you will ever need for sure. The more you use the more you are going to save for sure. It would be better for you to take one-year membership so that you would get exciting cashback offers from Paytm. I have never faced any issue with discount coupons and redemption of membership.

So, what are you waiting for? Join Times Prime and avail the great benefits waiting for you now!
