In brief

Videocon D2H is offering ICC World Cup 2019 sports channels at Rs. 19 per month under its lockdown offer, with subscribers required to pay for two months upfront.

As a move to provide subscribers with better packages at a lower price all the DTH providers are now offering the best packages to its users every day. This trend was visible from the time when TRAI introduced the new rule for the cable and DTH industry.

As the latest addition to this, all the DTH providers in the country are aiming to attract users during this cricket season. And looking to this, each provider is giving the best offers for the ICC World Cup lovers. Last week the trend has been more visible. Starting with Tata Sky who introduced the free sports channels for all its subscribers.

But one thing to be noted here is that the D2H offer is not free of cost as like in Tata Sky and Airtel Digital TV. The new offer for D2H users comes with a lockdown offer in which users can enjoy 2 months of World Cup Cricket by paying Rs. 19 per month for the selected channel. Also, those who opted for this plan need to pay two months subscription together too.

D2H has listed the channels with a price of Rs. 19 per month which includes Star Sports 1, Star Sports 1 HD, Star Sports Select 1, Star Sports Select 1 HD. All these channels offered in English. In the Hindi section, it includes Star Sports 1 Hindi and Star Sports 1 Hindi HD. The offer is also available for regional sports channels such as Star Sports 1 Tamil, Star Sports 1 Telugu, and Star Sports 1 Kannada.

However, all the channels are available at Rs. 19 per month, Star Sports 1 Tamil is available at a price of Rs. 17 per month. So if a user wishes to watch IPL on Star Sports 1 Tamil then they need to pay Rs. 34 as a two-month subscription to enjoy uninterrupted cricket till May 19th. For all other sports channels, the user needs to pay Rs. 38 as a two-month subscription.

Here we are talking about the DTH offers, additionally, if you wish to watch all the ICC World Cup 2019 live on your mobile, then you can consider the Jio Cricket Data Pack too. Details are available here.

Even Though D2H introduced this offer, as an IPL pack, but it is not at all good as one offered in Tata Sky and Airtel Digital TV. Here in D2H user need to pay two-month subscription together whereas the other two offers all the channels completely free.
